Mr. Mohcine Jazouli participates in the Future Investment Initiative in Riyadh to promote the Royal Vision and the Moroccan Momentum

Riyadh, October 24, 2023

Mr. Mohcine Jazouli, Minister Delegate to the Head of Government in charge of Investment, Convergence and Evaluation of Public Policies, is in Riyadh to participate in the 7th edition of the Future Investment Initiative.

This high-level international forum, organized by the FII Institute, brings together the world's leading investors and economic decision-makers to discuss strategies to address the most important challenges of this new era.

At a time when the world is facing various crises, Morocco's resilience to various shocks is a benchmark. This resilience stems from the vision set by His Majesty the King, may God bless him, which allows Morocco to transform international and national challenges into opportunities.

It is to present the Royal Vision as well as the ambitions, strengths and key initiatives of the Kingdom that make it a privileged destination for investments, that the Minister spoke at a plenary session under the theme "The Coming Investment Mandate".

"We are currently experiencing a real Moroccan Momentum, and under the enlightened leadership of His Majesty the King, may God bless him, the Kingdom aims to attract more high value-added and job-creating investments, particularly in future sectors such as electric mobility and green hydrogen," said Mohcine Jazouli.

During this plenary session, Mr. Jazouli shared the stage with eminent figures, including HE Khalid bin Abdulaziz Al-Falih, Minister of Investment of the Kingdom of Saudi Arabia, Mr. Piyush Goyal, Indian Minister of Commerce and Industry, Mr. Ville Tavio, Finnish Minister of Foreign Trade and Development, and Mr. Ahmet Burak Dağlıoğlu, President of the Investment Office of the Presidency of Turkey.

To promote the Kingdom's investment opportunities in Riyadh, Mohcine Jazouli was accompanied by a delegation including Mr. Ali Seddiki, Director General of the Moroccan Agency for Investment Development and Exports, Mr. Ghali Skalli, Director General of Investment and Business Climate at the Ministry of Investment, Convergence and Evaluation of Public Policies, and Mr. Zakaria Farahat, Director of Communication, International Cooperation and Partnerships at the same Ministry.
